

HAPPY DOG AGILITY

hda@happydogagility.com FEBRUARY 2015 (805) 416-4505

We know you all love your dogs as much as we do. Playing agility and being apart of the agility community is a great way to share the love we have for our dogs and being apart of a great community. All of our instructors goals are to help you enjoy the sport of agility and to have fun bonding with your dogs. We would love for you to share how your agility classes and trials go, whether you accomplished a goal (ie; your dog held it's contacts) or you earned that new title you were going for that weekend. We would love for you to share your agility achievements on our Facebook page or Happy Dog Yahoo Group.

USDAA TRIAL - FEBRUARY 7 & 8
