GRAND OPENING PARTY!!!

Mark your calendars and come out and join us. We are celebrating our new location during our USDA Trail May 23rd. We will start our BBQ party approximately 5:00pm once the trial ends.

WHATS NEW???

Thank you all for your patience while we had to temporarily stop classes at Happy Dog Agility during the move. Getting the fields ready took longer than anticipated, but we are glad everyone is back to training with their dogs. We are aware that there are more things that need to get done to make the fields 100%. There are still many plans in the works and projects that still need to be completed. We are working hard to make the fields better. Please continue to be patient while we work out the lumps and bumps.

Since re-opening we are noticing several unclaimed poops left on the fields. Please remember to pick up after your dog. If you do see a stray poop, please take a poop bag from the fence and clean it up.

If you haven't noticed Happy Dog Agility is now Happy Dog Agility and More. We are and will be adding more than just agility to our calendar. Along with Basic Obedience Classes we are taking enrollments for weekly Human Fitness classes. We are in the process of setting up a schedule to offer Rally and Competition Obedience classes in the future.

If you would like to work on homework the fields are available to rent for \$25 per hour. Contact Sandy to schedule.
